WE ARE SPECIALISTS

IN THE HVAC & BUILDING AUTOMATION INDUSTRY

validated custom solutions
an envelop group company

Validated Custom Solutions provides expertise in all aspects of Heating, Ventilation, and Air-Conditioning impacting every square foot of your facility.
We approach each facility with one goal; to form a partnership in transforming your environment into an instrument that enhances efficiency and operational excellence.

Strategic Partnerships
We have strategic partnerships across North America with the most advanced HVAC manufacturers on the market

Unique Solutions
Our engineers tailor solutions to your unique systems specifications, budgetary constraints, and long-term goals

Parts Department
Whether you need assistance on what to buy, or already know the part replacements needed, we are here to help

AIR-SIDE SOLUTIONS

HAAKON INDUSTRIES

Custom Air Handling Solutions

DADANCO feel the difference

High Efficiency Active Chilled Beams, Induction Units, and Low Temperature Air Delivery Infussers

Innovent Air Handling Equipment

Custom Air Handling, Pool & Desiccant Dehumidification Solutions

changeair a systemair company

Application Driven Vertical Unit Ventilator

MULTISTACK INTERNATIONAL LIMITED

Custom Air Handling Solutions

ENVIRO-TEC

Indoor heating, cooling and air-distribution products for commercial and institutional environments

PACE

Semi-Custom Air Handlers

systemair

Semi-Custom, Compact, and Modular Air Handling Solutions

MILLER-PICKING

Custom Air Handling Solutions

WATER-SIDE SOLUTIONS

MULTISTACK INTERNATIONAL LIMITED

Modular Air-Cooled, Water-Cooled, Heat-Pump Solutions/ Free-Cooling & Heat Recovery/Mag-Lev Compuressor Technology

WaterFurnace Commercial Solutions

Modular Water-Cooled & Heat Recover Chiller Solutions

QUANTECH

High Efficiency Air-Cooled & Water Cooled Chillers

BROAD U.S.A. INC.

Absorption Chiller and Co-Generation Solutions

PUROFLUX CORPORATION

Water Filtration

evapco

Evaporative Cooling Solutions/Cooling Towers, Closed Circuit Fluid Coolers, Adiabatic Solutions

LG

Inverter Scroll Heat-Pump Chillers

CAMUS Hydronics Ltd.

Gas Boilers (Condensing, Non-Condensing, Near-Condensing) and Water Heaters

ARMSTRONG

High Efficiency Hot Water & Chilled Water Pumping Solutions

SONDEX

Plate and Frame Heat Exchangers

HEAT RECOVERY SOLUTIONS

HAAKON INDUSTRIES

Enthalpy Energy Recovery Wheels

Innovent Air Handling Equipment

Sensible, Energy Recovery Plate Heat Exchangers

HEAT PIPE TECHNOLOGY

Energy Recovery, Split Passive, and Wrap-Around Heat Pipe Solutions. SMART Water/Glycol Heat Recovery Solutions

AuraGreen by MULTISTACK

Enthalpy Core Energy Recovery Solutions

SG America

Enthalpy, Sensible, and Desiccant Energy Recovery Wheels

KCC COMPANIES

Dedicated Outside Air Solution

PACKAGED & SPLIT REFRIGERATION SOLUTIONS

LG

Variable Refrigerant Flow Systems & Air-Cooled/Heat Recovery Condensing Unit Solutions

Innovent Air Handling Equipment

Custom Air Handling Unit Solutions. Packaged and Split Configuration

WaterFurnace Commercial Solutions

High Efficiency Water-Source Heat Pumps, specializing in Geothermal Applications

TEMPMASTER

Packaged Rooftop Units

QUANTECH

Air-Cooled Condensing Units

AIR CLEANING SOLUTIONS

FRESH-AIRE UV

Germicidal UVC Light Systems to Reduce the Risk of Airborne Infectious Diseases. Disinfect HVAC Coils and Environmental Room Surfaces

CosaTron Advanced Technology for Indoor Air Quality

Monitor, Measure and Validate your Air Quality. Remove Pollutants and contaminants to improve indoor air quality

AAF | Flanders

Air Filtration Solutions

SPECIALITY SOLUTIONS

AcoustiFLO

Engineered Fan to deliver Reduced Acoustical Performance and Superior Aerodynamic Fan Efficiency

KMC CONTROLS

Airflow Measurement Solutions

FLOW CONTROL INDUSTRIES, INC.

Pressure Independent Flow Control Valves

Honeywell

Gas Detection productions for Industrial Facilities

neptronic

Humidification Solutions for All Applications. Electric Heat Solutions

AEROFIN Heat Transfer Products

Standard and Custom Coil Solutions

CANCOIL

Humidification Solutions for All Applications. Electric Heat Solutions
